The applicant understands that this permit must be approved by the Village of Ellsworth.

The applicant understands that a driveway permit application (if applicable) must be obtained from the proper township – Ellsworth or Trimbelle.

The applicant understands that the sanitary permit must be obtained from the Pierce County Zoning Department.

The applicant understands that new homes, home additions, and most home alterations need to be inspected and that the applicant will contact the town building inspector, All Croix Inspections, Todd Dolan, at 715-377-2152 to complete the building permit, pay the fees, and arrange for all inspections.

The applicant agrees that all work shall be done in compliance with the requirements of the Extra Territorial Zoning Ordinance of the Village of Ellsworth and applicable township (Ellsworth or Trimbelle), Pierce County codes, and with all other applicable Federal, State, and local laws and regulations. **Permit application valid for a 1 yr. period to commence work.**

Applicant's Signature _____ Date _____
